Enter your email and click on Submit. An email containing a link to which reads "Click here to reset your password" will be sent.

After clicking on that link, enter your username and then a new password twice; once in the New Password box and again in the Confirm New Password box. Then, click on the Change Password button.

**Note:** The Password must contain 8-25 characters, including one letter and one number.

## **Reset Password**

Please note that changing your password will affect all of your ASI accounts, including ASICentral, ESP, Connect and the Online Learning Center.
