## Republish a Deactivated Custom Product

Tamika C - 2019-06-13 - Manage Products

After creating and making a custom product active, you have the option to make that item inactive at any time and vice versa.

After logging into the ESP Websites Admin, click on Global Features and select Custom Products from the dropdown.

Locate the product in the Manage Products tab. After locating the product, click on the Make Active button.

	K500 Polo Shirt External Product ID: 601497-552225118	Status: Product is Inactive					
	Created On: Mar 13, 2019	Edit	Сору	Delete	1	Make Active 🕨	•
