

Resetting your Password on ASI Central

Tamika C - 2021-08-31 - Manage Services

From the ASI Central homepage, click on the ASICentral Login link.

Then, click on the Forgot Password link in the Login area.

A screenshot of the 'MEMBER LOGIN' form. The form has a title 'MEMBER LOGIN' and a close button 'x'. Below the title, it says 'Please feel free to log in with any of the following accounts: ASICentral, ESP, Connect, or ASIUniversity.' There are two input fields: 'Username or Email' and 'Password'. A red 'LOGIN' button is located below the input fields. Below the 'LOGIN' button, there are three links: 'Forgot Password', 'Forgot Username', and 'Don't have an account? Sign Up'. The 'Forgot Password' link is circled in blue.

Enter your email and click on Submit. An email containing a link to which reads "Click here to reset your password" will be sent.

After clicking on that link, enter your username and then a new password twice; once in the New Password box and again in the Confirm New Password box. Then, click on the Change Password button.

Note: The Password must contain 8-25 characters, including one letter and one number.

Reset Password

Please note that changing your password will affect all of your ASI accounts, including ASICentral, ESP, Connect and the Online Learning Center.
